Church Leader:

Church Address:

Dear Church Leader,

We are pleased to inform you that _____ has been accepted as a participant in Adventures in Leadership, a Central Conference, small-group, wilderness, leadership and discipleship training experience designed for young people who are entering grades 10, 11, 12. Held partially in base at Covenant Point Bible Camp and partially on trail along Lake Superior's Pictured Rocks National Lakeshore, AIL is designed to equip students with a Christian leadership framework to assist them in discovering and developing their own leadership style consistent with their abilities and gifts.

The program includes a full day preparing at Covenant Point, a three-night backpacking trip, daily worship, reflection exercises and solitude, wilderness training, team-building activities, and a high adult to student ratio. Participants can expect to be introduced to leadership skills, become more aware of personal capabilities, examine a biblical approach to leadership, develop new friendships, learn how to live and thrive in the wilderness, and have fun!

Our hope is that AIL might become an effective vehicle for equipping young leaders of the Central Conference to serve the Kingdom of God.

As such, the conference has made a significant investment in _____ in order to subsidize this experience. Part of the hope and vision is that when a student is accepted, that each home church match that student's own financial contribution to the experience of \$150. Churches may choose to invest as much as the total \$300.

(Checks can be made out to Covenant Point Bible Camp, memo: AIL/student's name). Please be aware that your student will be in touch with you to follow up on this request for support in this ministry training experience. Feel free to contact us with any questions at 906.265.2117 or erik@cpbc.com.

We're praying together for God's work through each of these young people's lives, and invite you to join with us!

Grace and Peace,
