Silent Retreat

*Listening for the voice
of the Good Shepherd*

September 19-21, 2014

Our speaker this year is **Terry Cathcart**, and he will be sharing with us from John 10:3-4. Terry has served as a pastor for over 30 years and has been leading retreats for the past 40. His ministry began with leading Christian groups on wilderness trips in the Boundary Waters Canoe Area in 1973. Throughout his pastoral ministry, Terry offered retreat experiences to the members of the congregations he served. In more recent years, his focus has been on helping people recognize where God is at work in their lives, and take intentional steps in their growth toward Christ-likeness. Terry lives in Ishpeming with his wife, Sue.
