

Packing List for Island Camps

Campers should have a range of clothes for warm days and cool nights. The islanders are outside so adequate clothing is important for cold U.P. days, (check forecast for the week). All belongings should be marked with your child's name. This includes luggage, towels, and all personal items. You may want to include a check list of your child's belongings to aid in collecting all items.

The Island program is designed to provide campers with a back-to-basics experience. Please do not pack any personal electronic devices (including cell phones), watches, candy or junk food. For safety reasons, please do not bring knives or other sharp objects, lighters, or matches. Any such belongings will be collected by the staff at the beginning of the week and locked away until the end of the week when they will be returned to the camper.
