

One Life Winter Retreats

Group Registration Instructions and Policies

Introduction

Thank you for considering registering for a One Life retreat at Covenant Point Bible Camp! One Life retreats are created through a partnership between Central Conference ECC youth workers and Covenant Point Bible Camp. This approach to program design helps to ensure that retreats are sensitive to the specific needs and culture of the churches in attendance. One Life endeavors to create set-apart experiences for reflection, community-building, stillness, worship, spiritual formation, and play, in which participants are afforded the often rare opportunity to be fully present with God and others. Our hope is that participants would be better equipped to know God, themselves, and their others more deeply – and thereby live more fully into their God-given identity and serve more faithfully in the Kingdom of God. The following instructions will assist you in registering your church for One Life. Please read the material carefully, as you are responsible for understanding the content. Contact us with any questions!

Registration Policies

Payment: Full payment is due upon arrival; your deposit reserves your spaces.

Housing: Groups will be housed based on availability and may share housing with other church groups.

Leaders: Groups are required to bring at least one leader for each 6-8 students of each gender.

Cancellation: Groups are responsible to pay in full for their the minimum spots in their deposit tier (i.e. if you selected 11-20, you are required to pay for 11 spots in full). Medically-necessary cancellations will be refunded completely, less the \$30 deposit, and must be accompanied with a physician's note.

****Group Registration Form:** The "Group Registration Form" locks in your gender breakdown for spaces reserved, and will be used to place you in housing. Your total number of participants may not exceed the number indicated on your contract. Groups can replace a non-attending participant with a new participant of the same gender at any time without penalty, so long as new registration information is submitted to CPBC. Groups can replace a non-attending participant with a new participant of another gender ONLY if space allows; if space is not available for the new participant of a different gender, the group is still responsible to pay for the non-attending participant. Contact CPBC immediately if your group registration changes for any reason.
