

Packing List for Island Camp 2021

Island campers should bring a range of clothes for warm days and cool nights. The Island campers are outside most of the time, so adequate clothing is important for cold U.P. days (check forecast for the week). All belongings should be marked with your child's name. This includes luggage, towels, and all personal items. You may want to include a check list of your child's belongings to aid them in collecting all items at the end of the week.

Our Island program is designed to encourage campers to participate in the experience of the community and adventure with the basic essentials. **Please do not pack electronic devices, watches, candy / junk food, mirrors, cosmetics, or pop-culture reading material. Cell phones, money, and the above items will be checked in the first night and returned at the end of the week.**
