# SUMMER 2022

Program information for Covenant Point!

**Discounts**  
**Early Registration:** Save \$35 off any camp when you register and pay in full by March 15.  
**Family:** Save \$35 for each child from the same household attending camp.  
– OR –  
**Bring-a-Friend:** Save \$50! If you are a returning CPBC summer camper, bring a friend who has never been to a Covenant Point summer camp. You must both attend the same camp program the same week.

**Financial Aid**  
Finances should never be the reason a child does not come to Covenant Point. If you need assistance, please contact us. We are ready to help!  
**Registration Information**  
Check out cpbc.com to learn registration details, including how to select the right age program for your child, how cabin

mates work, drop-off and pick-up details, charter bus transportation, cancellation policies, discounts, financial aid and more.  
**Charter Bus Transportation**  
Our staff-supervised, charter bus service to and from Chicago, with stops each way in Elgin, Rockford and Madison, makes getting to camp easy. See cpbc.com for details.

## SUMMER CAMP AT COVENANT POINT

Precious few places exist in our world where young people come alive like they do at camp! At Covenant Point, our goal is to come alongside your child or family and help each one flourish as the whole person God created them to be. We have an incredible array of resources to help us in this special mission: a carefully chosen and thoroughly trained staff, a safe environment — including full accreditation with the American Camp Association and onsite medical staff — and a beautiful, rugged outdoor setting in Michigan's Upper Peninsula complemented by our comfortable and modern facilities.

"This is my happy place."

## WELCOME, FAMILIES!

### Family Camp

Relationships are at the heart of our Family Camp program. Come to relax, enjoy favorite camp activities, experience new challenges, allow loving staff to look after your children, enjoy Point's homemade meals and grow closer in faith with your own family. Our hope is that this can be a safe, relaxing time away for you and your family to connect and grow closer to Christ together. We also offer a special week of Family Camp specifically tailored to serve families who have children with autism.

### Triathlon Fundraiser

Come join our ministry and race for a special cause! The CPBC Triathlon is an exciting opportunity to raise funds for Autism Spectrum Disorder (ASD) Family Camp. Triathletes may participate in the full triathlon, sprint triathlon, or the fitness walk, and can participate as either individuals or a team made up of two or three people competing in separate legs of the race. Non-competitors will enjoy cheering on the athletes, great meals, a beautiful setting and meaningful friendships.

"God is more real to me here."

### Mainland: Grades 2-12

Covenant Point's Mainland offers a classic residential camp experience with a wide range of program options for all ages. Campers enjoy all sorts of activities from swimming, sailing and tubing on our waterfront to team-building and big games on the big field, to arts and crafts and campfires, to archery and ropes courses for older campers. Staff-led devotions foster faith conversations, create an environment of fun and encourage holistic growth.

### Island: Grades 6-8

One mile offshore from our Mainland, Covenant Point's 8.5 acre Island offers a small community wilderness experience unlike any other! Campers live in a yurt, worship daily around a campfire, enjoy meals in the open-air shelter and become immersed in the natural environment with a close-knit group of 32 campers and 6 staff. Our Island offers several high ropes courses, ropes swings, a zipline, kayaks, team games, a NEW sauna and more.

### Trips: Grades 6-12, & Adults

Covenant Point wilderness trips are back! With the lakes and woods of the U.P. and Northern Wisconsin at our doorstep, campers have quick access by backpack or canoe to beautiful backcountry locations, guided by our trained staff. Deep friendships form while paddling, hiking, taking in the beautiful sights and reflecting together around the evening campfire. Our trips program offers challenge, fun and adventure for middle and high school age campers, as well as adults.
