

### COVENANT HARBOR SUMMER 2024

#### Alpha (Age 15+)

Alpha brings together a small community of high school campers to live, serve and grow together over two weeks. Alpha campers are a huge part of our summer camps. They earn volunteer hours by working alongside the summer staff, kitchen, maintenance, housekeeping and other department teams. This discipleship experience gives them a taste of what it is like to work as a summer staff member, form relationships in community, grow in their faith and engage in classic camp activities.

"My daughter made a very strong connection to her faith at Covenant Harbor."  
- Camper Mom

#### Summer Staff

Covenant Harbor selects qualified staff ages 16 and older to serve in a variety of roles. These staff members love kids, share Jesus and gain valuable professional experience, all on the beautiful shores of Geneva Lake. Our summer staff positively impact the lives of our campers by creating a vibrant camp experience every week. It's a summer job like no other! Visit our website to learn details and find our application.

## SUMMER CAMP AT COVENANT HARBOR

In a world that can be complex and confusing, Covenant Harbor focuses on the things that matter: faith, relationships, life-skills...and fun! At camp, kids have the opportunity to try new things, make new friends, gain independence and experience the simpler joys of life.

Camp is a unique opportunity for kids to step away from their routine, get off screens and enter a space where they are encouraged to be part of something bigger than themselves. At Covenant Harbor, our mission is to love kids and share Jesus through age-specific programming where campers are able to take the next step in their faith journey at their own pace.

With dozens of memorable activities, kids can trust they will have fun. As a camp accredited through the American Camp Association, parents can trust that we care about safety and quality, and that our trained staff will be positive role-models. With quality facilities that include air conditioning and attached bathrooms, campers are comfortable.

Whatever your camper is looking forward to experiencing at camp, Covenant Harbor is ready with a week to remember!

**"Mom, I love coming to camp. I love the beauty of everything."** - Pier 30 Camper

### Day Camp (1st-6th)

With a day packed full of unique experiences, your camper will have endless opportunities to try new activities and explore different parts of camp. Come for one week or every week - there is always something new to do! At the end of each day, campers return home ready to share what they learned and to respond to their faith journey individually and with your family.

### Kish (2nd-4th)

Set apart from the main camp, the Kishwauketoe program is a community based, first time camping adventure. Together our youngest overnight campers grow in confidence and independence. Kish campers learn about Jesus and his deep love for them as their friend. Their week holds hours of fun playing games, creating classic crafts, swimming and making s'mores.

### Pier 30 (4th-9th)

Pier 30 is all about personal and spiritual growth. Whether it's their first time or third time coming to camp, older elementary and middle school campers encounter opportunities to branch out and try something new, something designed just for them. Pier 30 campers are encouraged to journey deeper into their faith, learning about Jesus as a friend and what a relationship with him means to them in their own life.

## SUMMER CAMP AT COVENANT POINT

Precious few places exist in our world where young people come alive like they do at camp! At Covenant Point, our goal is to come alongside your child or family and help each one flourish as the whole person God created them to be. We have an incredible array of resources to help us in this special mission: a carefully chosen and thoroughly trained staff, a safe environment - including full accreditation with the American Camp Association and onsite medical staff - and a beautiful, rugged outdoor setting in Michigan's Upper Peninsula complemented by our comfortable and modern facilities.

**"This is legitimately my favorite place in the world."**

- Senior High Camper

### Mainland: Grades 2-12

Covenant Point's Mainland offers a classic residential camp experience with program options for all ages. Campers enjoy a wide range of activities from swimming, sailing and tubing on our waterfront, to team-building and big games on the big field, to arts and crafts and campfires, to archery and ropes courses for older campers. Chapel gatherings and staff-led devotions foster faith conversations, create an environment of fun and encourage holistic growth.

### Island: Grades 6-8

One mile offshore from our Mainland, Covenant Point's 8.5 acre Island offers a community wilderness experience unlike any other! Campers live in yurts, worship daily around a campfire, enjoy meals in the open-air shelter and become immersed in the natural environment with a close-knit group of 32 campers and six staff. Our Island offers several high ropes courses, ropes swings, a zipline, kayaks, team games, a sauna and more.

### Trips: Grades 6-12 & Adults

With the lakes and woods of the Upper Peninsula and Northern Wisconsin at our doorstep, campers have quick access by backpack or canoe to beautiful backcountry locations, guided by our trained staff. Deep friendships form while paddling, hiking, taking in the beautiful sights and reflecting together around the evening campfire. Our trips program offers challenge, fun and adventure for small groups of middle and high school age campers, as well as adults.

**"I am blown away each year at the creativity and quality of the programming. The kids were blown away, too!"**

- Camper Parent
