SUMMER CAMP

AT COVENANT POINT

Precious few places exist in our world where young people come alive like they do at camp! At Covenant Point, our goal is to come alongside your child or family and help each one flourish as the whole person God created them to be. We have an incredible array of resources to help us in this special mission: a carefully chosen and thoroughly trained staff, a safe environment - including full accreditation with the American Camp Association and onsite medical staff - and a beautiful, rugged outdoor setting in Michigan's Upper Peninsula complemented by comfortable and modern facilities.

TRIPS

Grades 6-12 & Adults + Guided Group Trips!

With the lakes and woods of the Upper Peninsula and Northern Wisconsin at our doorstep, campers have quick access to beautiful backcountry locations, guided by our trained staff. Deep friendships form while paddling, hiking, taking in the beauty and reflecting together around the campfire. Our trips program offers challenge, fun and adventure for small groups of middle and high school age campers, as well as adults. Bring an entire group of youth, adults, or families on a guided trip! Covenant Point's guides take care of all details, logistics, food and gear.

MAINLAND

Grades 2-12

Covenant Point's Mainland offers a classic residential camp experience with program options for all ages. Campers enjoy a wide range of activities from swimming, sailing and tubing on our waterfront, to team-building and big games, to arts and crafts and campfires, to archery and ropes courses for older campers. Chapel gatherings and staff-led devotions foster faith conversations, create an environment of fun and encourage holistic growth.

ISLAND

Grades 6-8

One mile offshore from our Mainland, Covenant Point's 8.5 acre Island offers a community wilderness experience unlike any other! Campers live in yurts, worship daily around a campfire, enjoy meals in the open-air shelter and become immersed in the natural environment with a close-knit group of 32 campers and six staff. Our Island offers several high ropes courses, rope swings, a zipline, kayaks, team games, a sauna and more.

WELCOME, FAMILIES & FRIENDS!

Family Camp

Relationships are at the heart of our Family Camp program. Come to relax, enjoy favorite camp activities, experience new challenges, allow loving staff to look after your children, enjoy Point's homemade meals and grow closer in faith with your own family. Our hope is that this can be a safe, renewing time away for you and your family to connect and grow closer to Christ together. We also offer a special week of Family Camp specifically tailored to serve families who have children on the autism spectrum.

Reunion Weekend

Reunion - August 6-8: Because the 2026 Centennial Celebration was so fun, we're modifying our end of summer to provide an annual intergenerational "reunion weekend" open to all! Join us from Friday dinner through Sunday lunch, which includes the Triathlon (to participate or cheer) and Sunday Worship. Options will include onsite lodging for families or individuals, onsite camping, or the option to register as an offsite commuter. Stick around an extra night to join in the "Dusty" Golf Scramble if interested!

Sprint Triathlon Fundraiser - Saturday, August 7, 8AM: Come join our ministry and race for a special cause! The CPBC Triathlon is an exciting opportunity to raise funds for Autism Spectrum Disorder (ASD) Family Camp. Triathletes may participate as either individuals or a team made up of two or three people competing in separate legs of the race. Non-competitors enjoy cheering on the athletes, great meals, a beautiful setting and meaningful friendships.

Sunday Worship at Camp - August 8, 10AM: All are welcome for worship and lunch!

The "Dusty" Golf Scramble - Monday, August 9: Calling all golfers! Please join us for a day of community and fun as we honor the life of Dusty Larson and support a cause close to his heart – Covenant Point Bible Camp. All event proceeds will go toward our camper scholarship fund. Lodging is available at camp the night prior for those interested.

STAFF & WORK CREW

We are seeking full-summer staff (18+) for counselor and program positions, as well as high school (16+) work crew members to join us for either of our four-week work crew sessions. Apply at cpbc.com/staff.
